Re-Enrollment

Families, please remember to log in to your Skyward account and complete your re-enrollment, if you have not already done so. This year we are switching to a new information system, and we want to ensure that all of your information is correct.

In these uncertain times, it is critical that we have the most current contact information for the guardians as well as all emergency contacts. One thing to remember, in order for your re-enrollment to be approved, you must upload a recent utility bill (water, gas or electric) with your name and new address if you have recently moved, or if you are changing your address in Skyward. Your re-enrollment will be declined without this information.

Thank you for your cooperation with this. If you have any questions, please call the front office at 713-924-0400.

Offers low-to-no cost health services to YES Prep Northside Students and their families.

During the time of campus closure, appointments will be available via Telemedicine for sick and well visits, physical exams, and blood work.

Their current hub is located at North Forest, where face-to-face physicals and vaccines are done, if needed.

Please call 281-628-2050 to schedule an appointment.
