Hype 3.0: Helping Youth Prevent Engaging in Risky Behaviors

In an effort to prepare our high schoolers for the real world, Mrs. Ballard has teamed with an agency entitled, Change Happens. The agency will offer a program once a week to our *10th graders* through their Professional Communications course with Mr. Carter.

HYPE 3.0 is a teen pregnancy prevention (TPP) program that empowers participants to make healthy decisions. It provides tools and resources to prevent pregnancy, Sexually Transmitted Infections (STI), Sexually Transmitted Diseases (STD), as well as lowers youth engagement in other risky behaviors.

Please encourage your *10th grader* to actively participate in the program offered during their class period starting Jan. 28th. Consent forms will be sent home on Jan. 23rd. For any further questions, please do not hesitate to reach out to Mrs. Ballard at shnay.ballard@yesprep.org.

Is your child involved in one of our ACE programs? Visit our [website](#) to discover all of the clubs we offer.

Cope & Chill is back will be scheduled twice monthly during high school open lunch! The Feb dates are 2/7 & 2/21. Please encourage your student to sign up to attend this opportunity! They will need to confirm attendance by emailing Mrs. Ballard at shnay.ballard@yesrep.org. This is an event where high school students are able to learn and practice positive coping skills to manage stress and anxiety. A calm and relaxing atmosphere will be created where they are able to learn the importance of their bodies being in balance and how critical it is to lessen their stress and anxiety. A special guest will be there on 1/28! Hope to see your students there!
